or, hand to me at a club meeting, thank you, and I hope you enjoy the outings

Outings are for the benefit of L.C.H.S. members first and foremost, followed by their family and friends. Should there still be places available on the coach a month before the outing, we shall circulate details to other like minded clubs and societies in the area. If we are still unable to attract sufficient numbers to make the trip viable, we may have to cancel the outing at short notice.
